About Geonix International Pvt.Ltd

Geonix is a leading national IT hardware brand, headquartered in Delhi. Since its establishment in 2016, Geonix has built a robust pan-India presence through a wide network of channel partners across all states and union territories.

Company Strengths, Why Geonix is Unique?

The brand offers a diverse portfolio of over **200+ SKUs**, encompassing a broad range of sub-categories. Over **10 million** Geonix products have been sold, and every product undergoes rigorous quality control processes to ensure consistent performance, reliability, and customer satisfaction. We also have a wide after-sales service network that includes over **100+ service centres** nationwide, ensuring timely assistance and customer satisfaction.

Visionaries Behind Our Brand

The young and energetic founders of our brand are the driving force behind everything we do. With their fresh thinking, sharp business instincts, and commitment to quality, they've built a company that keeps growing stronger every year.

Under their leadership, our brand has seen consistent year-on-year growth, expanding in products, customers, and market presence.
